

Supply List

Let's Paint . . . with Pastels!

March 20-21, 2026

- Pastels - both Hard and Soft:
 - Bring what you have (**not student grade**). If purchasing new ones, please allow time for shipping. Local stores DO NOT carry decent pastels. The following brands are what I suggest purchasing.
 - Hard Pastels: Prismacolor NuPastel or CretaColor.
 - Soft Pastels: Terry Ludwig or Sennelier

Buy a set that your budget allows, however at least 20 or more to give you a range of values and colors. Keep in mind we are painting the landscape. Half sticks are always a good solution if available.
 - Paper - Bring what you have except drawing paper. Uart400 is perfect. 8x10 vanilla colored is ok, prefer 9x12 sheets
 - ***Both Pastels and Paper can be ordered from Dick Blick or Dakota Pastels online.***
 - Apron: optional but recommended. Pastels are dusty.
 - Black Artist tape
 - Color Wheel and Value Scale
 - Value Scale Markers: optional but bring if you have
 - Rubber gloves or baby wipes to keep your hands clean.
 - Photographs: Bring 1 or 2 or more of landscape photos that you have and like. Peruse your vacations! Print large on printer paper only in color and black & white. I will have some available, however it is always good to paint from your own photos.
 - Pencil
 - Eraser
 - Ruler
